

# Does this home repair need to happen now?

## Do it now

Safety or active damage is present. Act immediately – call a pro or emergency services today.

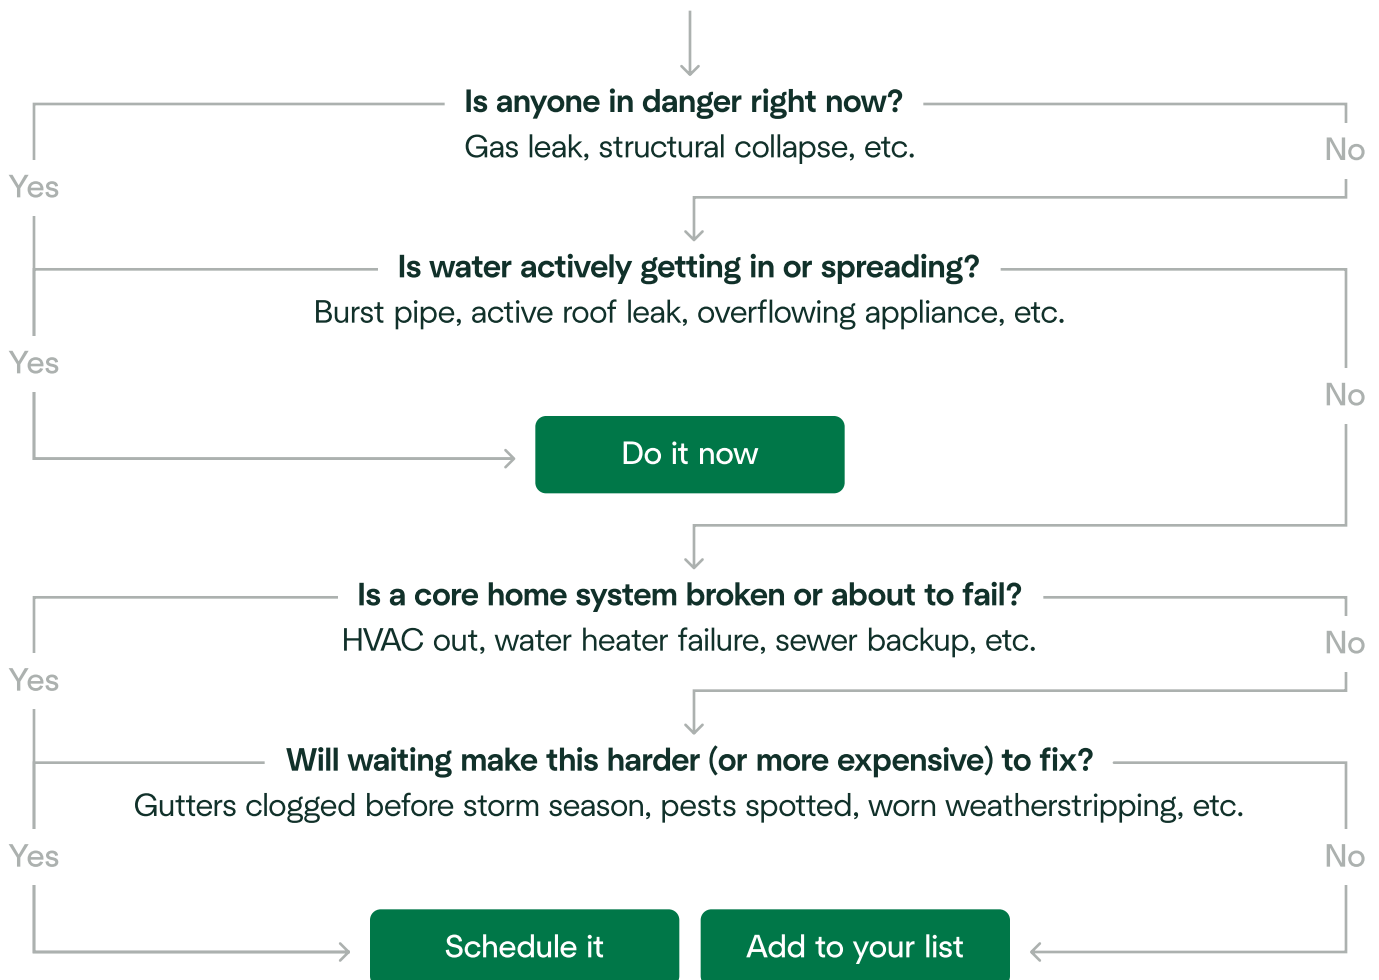

## Schedule it

No immediate crisis, but don't let this sit. Book a specialist or complete the task within 30–90 days.

## Add to your list

Cosmetic or low-risk. Address when budget and timing allow – but keep it on your radar.

You noticed something wrong with your home.
